We know exactly what is important in shower cabin design, construction and installation due to our extensive experience in installing bathrooms (since 2005).

Our products are approved by Housing New Zealand, therefore our trays are proven as being robust and sturdy, surviving a 200 KG weight being dropped 1000 times onto the shower tray without any structural damage at all.

Installation

A full installation/renovation service is available in the areas serviced by our Bathroom Direct branches and showrooms, and shower installation in other select areas. [Contact Us](#) for more information.

Optional Easy Clean Waste

A Bathroom Direct Easy Clean Waste is available for use with any of our Showers. Essential for installations into concrete floors.
